INTERVIEW AGENDA

Sir:

Examiner Q. Li has asked Applicants to transmit an agenda for a brief telephonic interview planned for March 4, 2004.

Applicants' attorney, Jean C. Baker, and Inventor David Watkins wish to briefly discuss the currently outstanding Office Action with Examiner Li.

Applicants' agenda is as follows:

- (1) Discussion of sequence submission in light of loss of Sequence Listing by PCT Office.
- (2) Brief discussion of double patenting rejections. Applicants intend to offer to cancel claim 1.
- (3) Discussion of 35 U.S.C. § 102 issue. Applicants believe that cancellation of claim 1 will render this issue moot.

- (4) Discussion of 35 U.S.C. § 103 issue. Applicants assert that the Examiner's cited references, Fuller, et al., Hanke, et al., Borgne, et al. and Loktev, et al. do not combine to make the currently amended claims obvious. Inventor David Watkins would like to speak to the Examiner on this issue.

We expect to call Examiner Li at 3:00 p.m. her time and thank her in advance for the courtesy of her time.

No fee is believed necessary to enter these remarks. If a fee is necessary, please charge Deposit Account 17-0055.

Respectfully submitted,

David L. Watkins, et al.
